## THE INITIATIVE

The Emily Davison Memorial Project (EDMP) is a community-led initiative launched in 2018 to mark centenary year of women getting the right to vote. Our aim is to create a permanent and iconic, life-size bronze and granite statue of the suffragette Emily Wilding Davison in Epsom Town Centre.

We have the full support of Epsom & Ewell Borough Council, Surrey County Council, local constituency MP Chris Grayling and Emily's family.

The purpose of the statue is to:

- Commemorate the important role Emily played in gaining votes for women in 1918;
- Recognise the ultimate price she paid for her belief in gender equality;
- Celebrate her importance to the history of Epsom;
- Act as a beacon for women's equality, locally, nationally and internationally; and
- Provide a memorial to a significant woman in British History.

**“The true militant suffragette is an epitome of the determination of women to possess their own souls.”**

## MAQUETTE OF THE STATUE

### FUND THE FUTURE BY RECOGNISING THE PAST IN THE PRESENT

The budget for the entire project is £50,000. This includes the following:

- Creation of an iconic, life-size bronze and granite statue, with accompanying information plaque;
- Installation in the newly redeveloped Epsom Market Place.

### THE LONG-AWAITED UNVEILING

We have commissioned a local, award-winning Sculptor, Christine Charlesworth, a member of the Royal British Society of Sculptors and the Society of Women artists, to create the statue.

It is intended that the statue will be unveiled at a special event early 2021

### SPONSOR THIS MEMORIAL

Be recognized for 'deeds not words' by sponsoring this memorial. Be part of local and international history within Epsom and Ewell, and show your support for gender equality.

“Deeds, not
